

# Environmental Management (MS)

---

*This program is offered by the College of Science and Health. It is available online, at the Fort Leonard Wood campus, and at the St. Louis main campus.*

## **Program Description**

The master of science (MS) in environmental management program is designed to provide students with the tools and techniques to navigate the business aspects of environmental management. Students learn to assess and convey the business, ethical and legal information to those who make or are affected by the decisions that shape our natural resources and environment.

## **Learning Outcomes**

Upon completion of the program, students will be able to:

- Apply key terminology, facts, concepts, principles, historical perspectives and theories concerning environmental management and global sustainability toward solving environmental challenges.

# Environmental Management (MS)

---

- ENMG 6100 Management of Land and Water Resources (3 hours)
- ENMG 6110 Management of Air Quality (3 hours)
- ENMG 6120 Waste Management and Pollution Control (3 hours)
- ENMG 6200 Environmental Risk Management and Strategies (3 hours)

*Note: The MS in environmental management has a program prerequisite of BUSN 5760.*

## Admission

See the Admission section of this catalog for general admission requirements. Students interested in applying must submit their application online at [www.webster.edu/](http://www.webster.edu/) apply. Transcripts should be sent from your institution electronically to [transcripts@webster.edu](mailto:transcripts@webster.edu). If this service is not available, send transcripts to:

Office of Admission  
Webster University  
470 E. Lockwood Ave.  
St. Louis, MO 63119

## Prerequisites

The prerequisites for the program are a bachelor's degree and BUSN 5760 Applied Business Statistics (or 6 credit hours of undergraduate statistics).

## Advancement to Candidacy

Students are admitted to their graduate program upon completion of all admission requirements. Students are advanced to candidacy status after successfully completing 12 credit hours with a cumulative GPA of 3.0 or higher. In specialized programs, courses required as prerequisites to the program do not count toward the 12 credit hours required for advancement.
