This program is offered by the College of Science and Health. It is available in the Live Virtual Modality, to students licensed as RNs in the U.S. and possessing a bachelor of science degree in nursing. Students complete online modules each week, which may include recorded lectures, videos, readings, case studies, podcasts and more to meet the lesson and course outcomes for the week. In addition, students meet weekly for two hours of live virtual (Zoom) classroom experience aimed at clarifying and applying online course content. In many courses, students complete face-to-face practice experiences with clients and/or preceptors.

Program Description

The master of science in nursing (MSN) program is designed for registered nurses with a BSN who wish to pursue advanced knowledge necessary for the professional roles of nurse educator or nurse leader.

The program requires the completion of 36 credit hours with an educator or leader track. Courses are scheduled in an eight-week format, five terms a year. The MSN is designed to be a year-round part-time program that students complete in 2.5 years.

The master's nursing program at Webster University located in Saint Louis, Missouri is accredited by the Accreditation Commission for Education in Nursing (ACEN) 3390 Peachtree Road NE, Suite 1400 Atlanta, GA 30326 404-975-5000 www.acenursing.org

The most recent accreditation decision made by the ACEN Board of Commissioners for the master's nursing program is continuing accreditation.

Requirements

The student in this graduate program is subject to the policies and procedures for graduate studies and the MSN program.

Continuous Enrollment

Students in the MSN program must maintain continuous and consecutive enrollment in this program at Webster University. Students who do not enroll for three or more consecutive eightweek terms will be withdrawn from the program. The student may request a waiver of this requirement.

Practicum Evaluation

In courses with a clinical/practicum/practice experience component, students must receive a grade of "Satisfactory" in the clinical/practicum/practice experience portion to pass the course. Unsatisfactory completion of the clinical/practicum/practice experience component of the course results in automatic failure of the course.

Admission

See the Admission section of this catalog for general admission requirements. Students interested in applying must submit their application online at www.webster.edu/ apply. Transcripts should be sent from your institution electronically to transcripts@webster.edu. If this service is not available, send transcripts to:

Office of Admission Webster University 470 E. Lockwood Ave. St. Louis, MO 63119

Additional Requirements

Requirements for admission to the master of science in nursing (MSN) program include:

 A bachelor of science in nursing (BSN) from an accredited program (ACEN, CCNE).
