

# Global Education

---

## **Certificate**

### **22 Credit Hours**

*This program is offered by the School of Education/Department of Teacher Education and is only available at the St. Louis main campus.*

For information on the general requirements for a certificate, see Certificate under the Academic Policies and Information section of this catalog.

## **Program Description**

This certificate in global education provides students from all academic backgrounds the opportunity to explore educational systems in a global context. Students will examine both the foundations of education and human development. They will gain a solid understanding of the similarities and differences in education across culture, class and ability. Students will complete ten credits of course work exploring education in the United States and across the world. They will complete three credits working with students from a wide variety of backgrounds and take an additional nine credits exploring the role of culture, literature and technology in education.

## **Learning Outcomes**

Students will:

- Analyze similarities and differences in educational systems around the world.
-
