

Photojournalism/Editorial Photography

Certificate

21 Credit Hours

This program is offered by the School of Communications/Media Arts Department. It is available at the St. Louis main campus.

For information on the general requirements for a certificate, see Certificate under the Academic Policies and Information section of this catalog.

The certificate in photojournalism/editorial photography is designed to provide students with a solid understanding of theory and practice in the area of photojournalism and editorial photography. Students will develop a basic understanding of photographic history and technique. Upper-level courses will focus on the specialized knowledge needed to work in the field of shooting for publication.

Learning Outcomes

Successful graduates of this program will be able to:

- Demonstrate the theoretical and practical aspects of traditional and digital photography.
- Demonstrate professional work standards in the field of photojournalism and editorial photography in various media environments.
