

Audio in Media Arts (BA)

This program is offered by the School of Communications/Audio Aesthetics and Technology Department and is only available at the St. Louis main campus.

Program Description

The Bachelor of Arts degree in Audio in Media Arts is designed for students who are interested in exploring the use of audio in all forms of media. This degree provides students with opportunities that include working with audio for film, television, video, animation, game design and interactive media. While emphasizing audio for forms of visual media, this program also
