

Agreement signed September 7, 2009

U.S. Army Command and General Staff College for AY 2009-2010

Webster University's cooperative degree program with the U.S. Army Command and General Staff College (CGSC) provides two programs for pre-approved graduate transfer credit. The first program is for CGSC graduates prior to July 2007 and the second is for CGSC graduates from August 2007 and later.

Transfer credit for the CGSC program prior to July 2007 is limited to 9-12 credit hours based on the transfer credit guidelines in the Webster University graduate catalog for courses transferred from a regionally accredited educational institution.

Transfer credit for the CGSC program August 2007 and later can be applied to the following degrees and is limited to 9-15 credit hours depending on when the course was completed and the degree program chosen.

(Note to advisors: Actual classes completed vary based on the location courses were taken. A careful review of the transcripts is needed to accurately transfer credits.)

2. Submission of an official Command and General Staff College transcript showing program completion.
