## USING THIS GUIDE

This guide has been published to assist students in preparing for transfer to Webster University from Jefferson College in the areas of Computer Science, Data Analytics, Mathematics and Management Information Systems. This should not be used in place of individual academic advising. Students are strongly encouraged to meet with a Webster University transfer admissions counselor early in their academic career to ensure a smooth transfer experience.

## DEPARTMENT OF MATH & COMPUTER SCIENCE DEGREES & MAJORS

	Required Credits in Major:
<a href="#">B.S. Computer Science (no emphasis)</a>	51 credits
<a href="#">B.S. Computer Science with Emphasis in Cybersecurity</a>	54 credits
<a href="#">B.S. Data Analytics</a> (available as online degree completion program)	36 credits
<a href="#">B.S. Mathematics</a>	51 credits
<a href="#">B.S. Mathematics (Pre-Engineering)</a>	48 credits
<a href="#">B.S. Management Information Systems</a>	57 credits

## WEBSTER ADMISSION REQUIREMENTS

When considering an application, Webster looks for evidence of potential for academic success. A cumulative GPA on college level coursework of at least 2.5 on a 4.0 scale is preferred; however, applicant is given individual consideration. If you have circumstances which might affect your admission this may be discussed confidentially with a

## IMPORTANT TRANSFER NOTES

- x Webster has a minimum residency requirement that 30 of the student's last 36 credits must be taken at Webster University. All students must have a minimum of 128 credit hours to graduate.
- x The Department of Mathematics & Computer Science requires that upper-level (3000-4000) courses must be taken at Webster University.
- x For Data Analytics majors, at least 18 of the required 36 credit hours must be taken at Webster University.
- x For Mathematics majors, at least 30 of the required 51 mathematics credit hours must be taken at Webster University.
- x For Mathematics (pre-engineering) majors, at least 30 of the required 48 mathematics credit hours must be taken at Webster University.
- x Computer science courses taken more than 5 years ago will be reviewed by the academic department on a course-by-course basis to determine if they may apply toward requirements of the major.
- x Students must earn a grade of C or better in any course they wish to apply toward their major or general education/GCP.
- x Webster University provides full transfer of coursework successfully completed as part of an associate's degree.
