GENERAL EDUCATION/GLOBAL CITIZENSHIP PROGRAM

Webster University requires all baccalaureate students to complete a general education program. The Global Citizenship Program (GCP) is a set of undergraduate degree requirements and a general education program developed by Webster University faculty to help prepare students to confront global problems and 21st century challenges.

Students who complete an Associate of Arts (AA) degree or the approved CORE 42 of general education before transferring to Webster University will have satisfied the general education requirements and the Global Cornerstone Seminar requirement of the GCP. All students are required to take the Global Keystone Seminar at Webster.

Students who have completed an Associate of Fine Arts (AFA) degree from a regionally accredited community college and pursuing a Bachelor of Fine Arts or Bachelor of Music degree at Webster will have satisfied the first year seminar and general education section of the Global Citizenship Program, as accommodated for the BFA or BM. Students with an AFA who choose to pursue a degree other than a BFA or BM at Webster will have coursework evaluated on a course-by-course basis for the GCP.

Students who complete other associate degrees (AS, AAS) will have previous credits reviewed on a course-by-course basis for applicability to the GCP and will work with their department of music advisor to determine remaining GCP course requirements for the applicable music degree. See *GCP Transfer Guide developed for Jefferson College*
