

USING THIS GUIDE:

This guide has been published to assist students in preparing for transfer to Webster University from St. Charles Community College in the areas of Accounting, Business Administration, Economics, and Finance. This should not be used in place of individual academic advising. Students are strongly encouraged to meet with a Webster University transfer admissions counselor early in their academic career to ensure a smooth transfer experience.

WEBSTER ADMISSION REQUIREMENTS:

When considering an application, Webster looks for evidence of potential for academic success. A cumulative GPA on all college level coursework of at least 2.5 on a 4.0 scale is preferred; however, each applicant is given individual consideration. If you have circumstances which might affect your admission this may be discussed confidentially with a member of the admissions staff. The University operates on rolling admission, and application files are reviewed by an admissions counselor as soon as all requested credentials have been received.

Each transfer applicant must submit:
A completed

- Webster has a minimum residency requirement that 30 of the student's last 36 credits must be taken at Webster University. All students must have a minimum of 128 credit hours to graduate.
- A minimum of 18 credit hours of academic work must be taken in the Department of Business or Department of Management at Webster University. The accounting degree requires 18 credit hours of accounting courses taken at Webster University.
- No more than one course completed with a grade of D may count toward fulfilling the specific requirements of the major. All General Education/GCP courses must be completed with a C-or higher.
- Webster University provides full transfer of coursework successfully completed as part of an associate degree awarded by a regionally accredited institution. While students with associate degrees typically transfer 60-64 credit hours, Webster will transfer in all coursework that is part of the completed associate degree. Transfer of additional lower-division credit beyond the associate degree is restricted. All transfer credit is capped
