- Transfer students who have taken introductory coursework in the major should not expect to complete their degree in fewer than four semesters due to sequential nature of courses.
- Courses completed with a grade below a C- do not count toward fulfilling the specific course requirements of the major or general education/Global Citizenship Program.
- Most students who major in the School of Communications must complete a portfolio review as a requirement for graduation. While the majority of work students will exhibit for this review should come from assignments in their courses at Webster University, students may also include exceptional work they have completed at other institutions. Therefore, the departments suggest incoming transfer students save any such work they deem appropriate for the portfolio review. Any questions about the portfolio review process should be directed to their academic advisor.
- Webster University provides full transfer of coursework successfully completed as part of an associate degree awarded

ELECTIVES:
Elective hours can consist of any college-level courses that are not already being applied to the major or general education requirements of the degree. Many students may choose to obtain a minor out of the required elective hours. Please note that all coursework applied to a minor must be completed at Webster University, with a grade of C- or better.
